**Barbara is a sixteen (16) year Suwannee County Employee, starting as the Recycling Education Coor with the local Extension Service. After 2 ½ years, Barbara transferred to the newly established 911 Addressing Office and for the next 7 years assisted with the development and implementation of a numerical numbering system for emergency response and mail Delivery throughout the County. Barbara is now in her sixth (6<sup>th</sup>) year as the Resource Conservationist for the Suwannee County Conservation District. Barbara works part time from her home primarily responsible for the Educational programs of the District. Barbara has always been concerned with environmental issues and finds the work of the Conservation Districts at the local level very challenging.**

**Barbara worked for Disney World in the early 70's, followed by a few years manufacturing & selling silver jewelry, wood stoves and food dehydrators in New Mexico and Colorado.**

**Barbara has been married for more than 30 years to Richard, who is a District Sales Manager for DeLaval, Inc., selling farm supplies throughout the Southeast. They have 2 grown children, David works in Tallahassee and Teresa works in Bethesda, MD.**

**Barbara enjoys gardening, cooking, quilting, traveling and fishing with Richard.**
